Melbourne/McLaren Vale

Fly direct from Melbourne to McLaren Vale, where late morning you'll visit the owners at Bekkers Wine, recently voted in the top six winemakers in the country. At Bekkers take in boutique, world class wines with finesse and texture, made by husband & wife team Toby & Emmanuelle Bekkers. Visit Salopian Inn for lunch, to meet one of South Australia's most iconic Chefs, Karen Armstrong. Enjoy lunch in this majestic stone homestead with its expansive vineyard views. Finish the day at Hickinbotham's Clarendon Vineyard and their private Chateau, which for over 40 years has supplied fruit to produce many of Australia's greatest wines, including Penfolds Grange. Late afternoon you'll see spectacular views of Gulf St Vincent on route to the boutique Coastal Lodge, owned by your tour host, Simon Burley. For dinner enjoy a special treat, with a wild coast BBQ at the Coastal Lodge lookout, with its stunning views across Gulf St Vincent.

1

Fleurieu Peninsula

On Day 2 we'll head up and explore one of South Australia's most beautiful and untouched nature reserves at Deep Creek Conservation Park. Take a guided walk along the 3km Goondoloo Ridge Trail to see a plethora of native animals, stunning flora and spectacular coastal views across to Kangaroo Island. Next enjoy a 4WD experience like no other, traversing a dry and dusty trail down to one of the most wild and isolated beaches on the Fleurieu Peninsula. At Blowhole Creek Beach you'll walk on the famous Wild South Coast Way, which skirts the cliff line and provides raw views of Blowhole Creek Beach and the Southern Ocean. With your appetite up, enjoy a picnic hamper of local produce from the back of the Land Rover Discovery accompanied by a cold glass of sparkling wine. For dinner we drive to iconic local pub, the Victory Hotel, driving a wild beach along the way, for an exclusive dinner inside their famous cellar.

2

Fleurieu Peninsula

In the morning enjoy a stunning drive through rolling hills to the mouth of Australia's longest river, the Murray River. At the mouth of the river we'll take a walk through the sand dunes to see the famous Coorong estuary system and the Southern Ocean that borders it, enjoying spectacular views. We then cruise a strip of sand in the Land Rover so wild & isolated, you'll feel you've truly escaped civilisation. Fully invigorated we'll head to one of the region's most iconic seaside diners, the Flying Fish Cafe on the boardwalk at Port Elliot. A short drive later we visit a secret gem in the Hindmarsh Valley, the Softfoot Alpaca Farm, and take a guided ATV tour of the property including an overview of the alpaca breeding program, sanctuary for injured marsupials, and their magnificent Koala park.

3

McLaren Vale to Melbourne

On your last morning take a majestic 4WD tour into a 600 million year old gorge to learn its indigenous history, see native animals and immerse yourself in a landscape that dates back 600 million years. Coast & Co has an exclusive licence to drive into Onkaparinga Gorge so you can see first-hand all of its wonder & majesty. Enjoy a drive around the perimeter of the gorge as you trace the links of McLaren Vale's ancient geology into its modern day vineyards. We'll hop out of the 4WD and take a walk along a ridge to the Punchbowl Lookout, which has 360 degree views of river, gorge, vineyard & coast, then follow a path back into the National Park to search for eastern grey kangaroos, koalas and echidnas that call this area home. For lunch we'll visit Shootesbrooke Wines and the Currant Shed, before flying back to Melbourne late afternoon.
