Melbourne to Clare Valley

Depart Melbourne in the morning and fly into Clare Aerodrome. Travel through the valley to the home of Grosset Wines and enjoy a tasting of their premium wines in the cellar door, a beautiful old stone building. After Grosset we'll pop into Paulett's for lunch, then check into the villas at Neagles Retreat. Mid afternoon you're in for a treat with a visit to the property of Warrick Duthy, prominent Clare local and owner of the Watervale Hotel. Warrick's farm is cultivated biodynamically and on this tour, you'll learn about organic, biodynamic and permaculture farming. After your tour see how the flavours come to life with dinner at the Watervale Hotel, a fantastic multi-course meal that is combined with some exclusive and limited wines from the Watervale Hotel, including back vintages. These will be selected by Warrick himself and will reflect the very best producers in the Clare Valley.

1

Sevenhill & Clare Township

Start your day with a visit to Kilikanoon Wines, sample wine produced from some of the oldest vines anywhere in the world. Take a seat in their private tasting room, the Revelation Lounge, to experience their ultra-premium range, including two "Best Shiraz in the World" wines. Visit Skillogalee for a tasting, and lunch under the olive tree. Next, visit Sevenhill Winery to see the early Jesuit history, including their magnificent Church, outbuildings, gardens and winery, plus visit the cemetery overlooking the Riesling Trail and grounds. Tour the cellar to see the legendary winemaking of Brother John May and the growth of Sevenhill from producing altar wines for the Catholic Church to renowned Australian producer. Next we take to the back roads of the Skilly Hills and head toward Spring Gully Conservation Park. The lookout is located west of Clare and the views at sunset across the Northern Adelaide plains are spectacular. For dinner a gourmet BBQ will be provided along with a selection of Clare Valley wines and beverages.

2

Mintaro, Polish Hill River, Bungaree

In the morning, we'll take a tour around Martindale Hall, a Georgian style mansion with Italianate influenced sandstone. With significant heritage value in South Australia, the estate was built in 1879 – 1880 for Edmund Bowman Jr. at the cost of £30,000; it has some 32 rooms and boasts an extensive cellar of some 7 rooms. Edmund surrounded the home with a polo ground, a racecourse, a boating lake and a cricket pitch where the English 11 played at least once. Next, we'll visit Mt Horrocks, a boutique, certified organic winery, with the cellar door set in the renovated Auburn Railway Station. For lunch we visit Slate restaurant at Pikes Wines, a must-do whilst in the Clare Valley. Chef Trist Steele, delivers a Modern Australian menu featuring simple, yet delicious dishes, showcasing the best local produce from in and around the region. After lunch we visit historic Bungaree Station where you will learn about South Australia's pioneering past. Late afternoon hop back on the plane for your return trip to Melbourne.
