Melbourne to Kingscote - Kangaroo Island

Start with a morning flight from Melbourne to Kangaroo Island, a wildlife hotspot and one of the most sought after destinations in Australia, with its 30 Conservation parks and huge range of wildlife species. On arrival you'll step completely off the grid into a fully-hosted eco luxury experience at Oceanview Eco Villas, where you'll be welcomed by your island hosts, Tim and Tamsin Wendt. Allow yourself to relax, unwind and rejuvenate in luxury accommodation whilst enjoying the stunning 500-acre coastal property. Enjoy an afternoon tour with Exceptional Kangaroo Island including a BBQ lunch at a spectacular beach location and a tour with Kangaroo Island Marine Adventures to experience their dolphin watch program, learning about the visual recognition system that helps track dolphin movement between pods. Return for dinner with Tim & Tamsin.

1

Kangaroo Island

Start with a trip to Seal Bay to see an Australian Sea Lion Colony, looking out for pups that nurse their mothers and big bulls staking out their territory. We then head along pristine coastline to enjoy lunch at an iconic picnic spot. In the afternoon savour a tour of the iconic Flinders Chase National Park. After lunch, travel into Flinders Chase National Park and explore the massive shapes of Remarkable Rocks, a natural sculpture perched impossibly on top of a dome of granite emerging from the ocean. Late afternoon we'll marvel at the power of the Southern Ocean swell at Admirals Arch - a coastal grotto which provides a home for a large colony of long-nosed fur seals who swim effortlessly through the crashing waves.

2

Kangaroo Island

Enjoy a deep dive into the island's pioneering conservation programs, where you can learn about the Island's passion for conserving its native flora and fauna. Visit the Eucalyptus forest of the Cygnet Valley and learn about the ground-breaking large-scale habitat restoration programme. Meet with Dr Peggy Reismuller, who is the world expert on short-beaked echidnas – one of the world's three egg-laying mammals. Over lunch at a private bush site, Peggy will share the results of 30 years investigating the lives of echidnas, goannas and tiger snakes. After lunch, savour a tasting and tour of an oyster farm at American River. Late afternoon we'll head back to Kingscote for your flight to Adelaide and transfer to Sequoia Lodge.

3

Ultimate Barossa Tour

A day tour that explores two of the most famous wine brands in the country. In the morning enjoy a visit to Torbreck Vintners, which has the incredible accolade of achieving a perfect 100 point score from Robert Parker's Wine Advocate no less than five times in its history. In the afternoon visit Henschke, the most famous small winemaker in the country. Enter this icon and take a private, VIP tour of Australian winemaking history. You'll enjoy exclusive access to one of Australia's most celebrated vineyards, Hill of Grace, including an hour in the vineyard driving and walking next to the oldest "Grandfather" vines dating back to the 1860's, followed by a tour of the historical working winery. We'll finish the day with a panoramic 4WD trip into Steingarten Vineyard, atop the beautiful Barossa Ranges. Arriving back at Sequoia Lodge, enjoy dinner at Hardy's Verandah.

4

Secret Wine Gems

A journey of discovery into geology, ancient soils and two of the finest boutique winemakers in South Australia. Start your wine journey with a 4WD tour into ancient Onkaparinga Gorge to see native animals and geology that dates back 600 million years. Visit Bekkers Fine Wine and take in boutique, world class wines with finesse and texture, made by husband & wife team Toby & Emmanuelle Bekkers. Visit Salopian Inn for lunch, to meet one of South Australia's most iconic Chefs, Karen Armstrong. Enjoy lunch in this majestic stone homestead with its expansive vineyard views, followed by a 4WD tour down Silver Sands Beach. Finish the day at Hickinbotham's Clarendon Vineyard and their private Chateau, which for over 40 years has supplied fruit to produce many of Australia's greatest wines, including Penfolds Grange. Return to Sequoia Lodge for an evening campfire and marshmallow roasting on the valley rim, and enjoy a dinner catered to your room.

5

Adelaide to King Island

We'll fly across Backstairs Passage with its spectacular Southern Ocean views to King Island for the next stage of your Air Safari. King Island lies off the north-west coast of Tasmania, surrounded by a rugged coastline with fresh seafood, famously good produce and some of the cleanest air in the world, and for golf lovers there are two stunning world-class golf courses on the island designed in the Scottish links tradition.

On arrival you'll be transferred to Taraki Lodge, an ideal base for exploring the island's lush farmlands, hidden forests and pristine unspoiled beaches. Taraki Lodge sits high atop sand dunes and faces due west with a 180 degree view of Bass Strait.

6

King Island

Enjoy a private tour of King Island, savouring King Island cheese, steak and produce along with its magnificent scenery as a backdrop. King island is famous for cheese and dairy products, seafood, beef, honey and fruit and veggies at a farm gate or eatery, and you'll get to sample all of these on a wonderful culinary journey. Following a series of twisted roads and country lanes, you'll be dazzled at every turn - from a lighthouse and offshore shipwrecks, to the island's great nature walks and unique wildlife. For dinner Taraki Lodge organises a private chef to cook for you at the lodge, serving King Island's best local produce.

7

King Island & return to Melbourne

For golf lovers we'll book you at one of the island's renowned Golf Courses, with a choice of Cape Wickham, Ocean Dunes and King Island Golf Club. For those more inclined to the island's coast, enjoy a sleep in followed by a walk around Taraki's spectacular coastline. Afternoon return flight to Melbourne.
